

I love this Country.

## Government/Military Per Diem

The Country Inn & Suites By Carlson – Deer Valley wants to show our appreciation for military and government travelers with guaranteed per diem rates, year round. These rates are available to active duty/retired military personnel, federal employees, and contractors on government business. Appropriate identification will be required upon check-in.

We are located minutes from the new FBI Training facility and several government sub-contractors, i.e. Honeywell, etc. and only 15 miles from Luke Air Force Base.

We thank you for all you do and look forward to seeing you soon . . .  
“I love this Country!”
