### Country Inn & Suites by Carlson, Jaipur

Blending business and leisure  
amidst the romance of history.

Country Inn & Suites by Carlson, Jaipur,  
has a personality as inimitable as the  
historical city where it is located.

Standing 8 storeys tall, with 100  
stylishly designed rooms and a vibrant,  
in-house shopping mall, Country Inn  
& Suites by Carlson can hold its own in  
a city renowned for great historical  
buildings and monuments. However,  
while being thoroughly modern, our  
hotel is no less personal; in fact, its  
disarming homeliness will put you at  
ease the minute you step through  
its doors - whether you're a high-flying  
executive or a leisure traveler.

Come, make yourself at home.

## COUNTRY INN & SUITES BY CARLSON

Founded in 1987, Country Inn & Suites by Carlson is a highly successful international lodging chain with over 380 locations worldwide, including India.

We have won the respect of customers and business associates alike by adhering to the highest business ethics and practices and taking relationship-building initiatives whenever necessary. In the process, we have evolved our own special brand of hospitality whose focus is customer delight, not mere satisfaction, and this is what underpins our brand success on the global level.

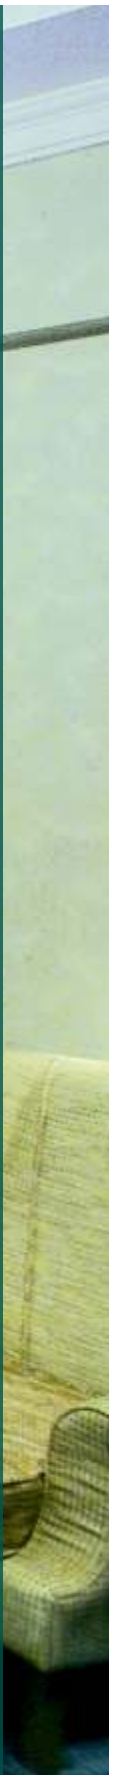

## ACCOMMODATION

Ours is a 100-room full service hotel which includes 16 tastefully appointed guest suites. These are simple yet contemporary, designed to impart a sense of restfulness and make you feel at home the moment you step in.

These guest suites have their own private living room with an attached powder room, which allows you to accommodate guests without upsetting your privacy. With in-room dining service, your guest room transforms into a fine dining room. For those with families, the suites also have an interconnecting deluxe room to ensure that the family is merely a door away.

All the accommodations are wi-fi enabled; with full air-conditioning, television, electronic safe, tea/coffee maker, mini bar, and phone lines. They are spacious and well-lit, with plenty of natural light streaming through windows that run almost from ceiling to floor and afford a breathtaking view of the city, including Nahargarh Fort and Moti Doongri.

A warm welcome is only the beginning.

## DINING

At Country Inn & Suites by Carlson, dining is a pleasure that cannot be missed. We provide a wide choice of venues and cuisines for every mood and occasion - be it a birthday bash, a corporate get-together, or an informal family outing.

### Dragon House

Dragon House evokes the exotic Orient like never before. Its red, black and gold interiors will draw you into a world where fine dining and graceful hospitality make for an unforgettable experience. You may choose to dine in your own private area, or out under a pagoda, or at a traditional Chinese low table, or *chinmay*. Yes, the seating is half the joy of eating here.

### Mosaic

Mosaic, the 24 hour café, is just the place to check into when you need a snack and a cuppa. You may go *a la carte* or simply raid the buffet table, choosing at will from a marvellous spread of scrumptious fare.

### Spice

Dining at Spice, our interactive specialty restaurant, is quite an experience. You can watch a chef prepare food live in an open kitchen. The combination of sight, smell and sound, we assure you, will make you want to try every offering on our fascinating Indian menu.

### Lounge Bar

The Lounge Bar at Spice is the place to unwind in style. Order up a cigar of your choice, or sip a heady cocktail. The Lounge Bar is great for a pre-dinner or post-dinner laze-out.

### Kasbah

Kasbah will transport you to magical Morocco. Recreating the sounds, flavors, and feel of a bustling Moroccan settlement, with low divans and gurgling sheeshas. Kasbah is a feast for the senses. And perhaps Jaipur's most exotic bar.

## RELAXATION

### Revive Gym & Spa

There's no place like Revive Gym to get into shape. This state-of-the-art fitness centre features a variety of cardio and fitness equipment - not to mention an expert instructor to assist you with your fitness program. That's not all, after a long journey, or after a rough day at work, you deserve to pamper yourself. Our Revive Spa boasts 4 therapy rooms - 2 for ladies, 2 for gents - with separate steam and sauna, as well as a separate therapy room with its own private steam and Jacuzzi and a unisex beauty salon. Revive is the place to re-invent yourself.

### Pool

Located on the 8th floor terrace, this open air rooftop swimming pool is a great place to take a refreshing dip or pick up a sun-tan.

### Shop In Style

Our very own shopping arcade, Shop In Style is easily accessible through the lobby and is a veritable shopper's paradise. Books, music, clothes, jewellery, handicrafts, cosmetics... we have everything under the Jaipur sun!

**A warm welcome is only the beginning.**

Our success as a 5-star hospitality owes in large part to our staff. In order to ensure that they give of their best, we inculcate in them a sense of commitment to our guests, while continually upgrading their skills through periodic training.

We are also committed to being an environmentally friendly hotel as we are sensitive to the fact that Country Inn & Suites by Carlson is located in a State where natural resources are limited. In order to conserve water and energy, we follow set procedures: synchronizing the operation of the chiller pump with the cooling tower, regulating lighting in public areas with timers, providing a dual flushing system in all toilets, using treated water from the sewage treatment plant for the cooling towers and for horticulture purposes, and incorporating a water harvesting system.

## CONFERENCE & BANQUETING

Our hotel offers a meeting environment with audio visual service and equipment to cater to all your presentation needs.

Royal Court, our banquet hall, has a flexible meeting and pre-function space for you to organize a theme event, a private party, an official dinner, a family party, or a business conference. There's the deluxe Board Room with its plush chairs, which is perfect for a private meeting.

If you have business matters to attend to while staying with us, drop in at our Business Centre. Located on the same floor as the Royal Court and Board Room, this facility is fully equipped to assist delegates with a range of administrative services.
