

Dear Guest,

I want to personally invite you to take a look at our completely unique and first downtown located Country Inn & Suites By Carlson. The Country Inn & Suites By Carlson, New Orleans French Quarter, LA is unlike any other Country in that it was built out of seven historic buildings dating back to the 1860s and is listed on the U.S. Register of National Historic Places.

The hotel is a jewel in that it showcases the exquisite interior design and architecture in a historic building. The significant charm has been kept by preserving and restoring the exposed beam ceilings, slate floors and brick walls that were part of the original design. Almost every room has something a little different from the next.

The three diamond AAA Country Inn & Suites By Carlson, New Orleans French Quarter, LA offers exceptional caring and consistent service in a comfortable atmosphere that one expects when staying at a Country Inn & Suites. With our meeting facility, valet parking, French Quarter style courtyard with heated pool, lounge, the free Be Our Guest Breakfast, perfect location, and standard amenities, you'll have all you need no matter what brings you to our city.

Please take a moment to review our site and look into our offerings. I hope you will choose the Country Inn & Suites By Carlson, New Orleans French Quarter, LA for your visit and share my enthusiasm for our outstanding facility and people.

Sincerely,

Mike Larose
General Manager
