

Good for BUSINESS

Team Building To Training, A Personalized Company Webpage Is Smart Business.

Let your Country Inns & Suites By CarlsonSM hotel create your own "Private Offer" page with information about training sessions, team building or other business events.

Include photos and important links like schedules and weather forecasts. You'll even receive a unique url that brings guests directly to your page that's only visible to your company. It also makes it easy for guests to book rooms at your special rates.

Your custom webpage includes:

- A Custom url [countryinns.com/yourevent](#)
- B Headline (40 characters max)
- C Subhead (40 characters max)
- D Custom information
- E Amenities
- F 240 x 160 pixel image
- G Online booking
- H Event details with links
- I Terms and conditions
