

Customer Testimonials: they stayed, they experienced, they reported.

"Both check-in and check-out were extremely friendly and efficient. The employees at the desk were friendly and informative about the surrounding restaurants and services in the area. They obviously enjoy their work and it has a positive effect on visitors to the hotel. They should be commended for the fine job they are doing and the pride they take in what they do. I have stayed at this particular hotel at least 8 times in the past year with my family and could not say enough about the staff. They make the stay all that it is for us!"

"I travel for business quite frequently and therefore, have stayed at many different hotels, with varying prices. This was my first time at a Country Inns, but it will not be my last. The price was excellent, the staff was great (housekeepers say 'hello' in the hallways - a first!), and the amenities (especially the yummy cookies!) were outstanding. When traveling in the future (business or pleasure), I guarantee that I will patronize Country Inns whenever possible - you have a new loyal guest."

"Your hotel was a very cozy warm place to stay for the holiday. I have built many hotels from a Hampton to a Mandarin and the room size for the suites is exceptional. The price point is also appealing."

"This hotel is very clean & comfortable. It gives the Country Home look and feel from sitting on the front porch rocking chairs to the indoor pool."

"Our car broke down on Interstate 81 and we had to stay overnight in New York. The staff at the Cortland Country Inn & Suites made a bad experience much more pleasant."

"The only real reason I didn't give maintenance a perfect score is that I never give a perfect score in everything. There was a small tear in the spare blanket... someone had to take the hit. Great place to stay."

"You can even eat, at our continental breakfast. Our pool is the best. We take care of our guests. So you've tried all the rest, and we're the place that's the best. We'll clean up your mess. We will sell for less. Bring your children and wife and we'll spice up your life!"

"Country Inn & Suites is cozy and worth a ride. They welcome you with cookies and milk, and they always have a smile on their face. Their kind, helpful, and available at all times. It seems like you're in heaven"

and there's a really nice flowery smell all around you. You can go for a moonlight swim before you hit the sack. Once you come, you will never want to leave again. Hope you enjoy your stay."
