

EXTENDED STAYS AND PET ACCOMODATIONS

Dear Guest,

Thank you for choosing the Country Inn & Suites by Carlson in Bemidji, Minnesota! We are excited to have you as our guest. During your extended stay, we ask that you please review our extended stay policy regarding rates, taxes, and services.

Our housekeeping staff is happy to provide limited service during your stay at a minimum of once a week.

Reservations made for thirty or more consecutive days are exempt from all taxes. This does not apply to multiple reservations made over a thirty day period

We know that your pet is part of your family, and we would like to accommodate him or her just as any other guest in our hotel. Our hotel accepts dogs only. To best serve all of our guests, we require that all dogs staying at the hotel be under 50 pounds, and each room be limited to a maximum of two dogs. Any requests beyond this must be approved by the General Manager. There will be a **\$50 non-refundable** service charge for having your pet during your stay. The service charge is to cover the cost of cleaning the room after departure.

All pets must be in a crate or suitable carrier in the room while you are away. This is for the safety of the housekeepers as well as the pet while your room is being serviced.

Pets are not allowed in any of the common areas, including the lobby, breakfast area, and pool area. Pet-friendly rooms are located on the first floor to allow easy entry and exit with your pet on the west end of the building. Pet owners are responsible for cleaning up after pets.

Pets must not disturb other guests. Fair warning will be given only once following any noise complaints. Pets must be on leash when not in room.

Pets will be allowed at our discretion. The hotel reserves the right to refuse accommodations to anyone with a pet or a pet with poor demeanor.

Service animals used for physical assistance are not subject to the \$50 service charge; however, the owner may be liable if their animal causes any damage to hotel property.
